Five Faculty Planning Phases

- 1. Phase 1 - 1996 – 1997 Faculty Renewal and Student Expansion**
- 2. Phase 2 - 1998 – 1999 Faculty Recruitment and Development**
- 3. Phase 3 - 2000 – 2001 Space Planning and Construction**
- 4. Phase 4 - 2002 – 2003 Program and Curriculum Development**
- 5. Phase 5 - 2004 – 2005 Linking Structure to Strategy– Creating a Modern Business School**

New Facilities

The administrative, faculty offices and teaching case rooms of the Faculty of Business Administration are located on the 5th and 6th floors of the Education Building

Dean's Office Area

Dean's Office Entrance

Dean's Office Waiting Area

The Dean's Office accommodates the Dean, three Associate Deans and administrative staff

Boardrooms

Dean's Office Boardroom

Faculty Boardroom

There are a number of meetings spaces located on the 5th and 6th floors. The above two boardrooms are located on the 5th floor

Faculty Reception and Offices

Faculty Reception Area

Administrative Staff Offices

Located on the 5th floor, the General office of the Faculty of Business Administration serves students and the public

Faculty Administrative Area

Administrative Staff Offices

Faculty Lounge

More administrative and staff offices in the General Office including a picture of the staff lounge

Faculty Lounge

Faculty Lounge

Faculty Lounge

The Faculty Lounge is used for informal staff and Faculty sessions and frequently for formal Faculty Recruitment hosting receptions

Executive Technology Room

Executive Tech Room (back)

Executive Tech Room (front)

The Executive Technology Room located on the 5th floor is a “high-tech” instruction space used for executive education (MBAs and business professionals)

Seminar Rooms and Classrooms

Graduate Seminar Rooms

Accounting Classroom

Located on the 5th floor are two graduate seminar rooms designed for 12 -15 participants. The accounting classroom is a traditional teaching space accommodating 60 participants

Teaching Lab and Case room

Accounting/Finance Teaching Lab

Case Teaching Room

Located on the 5th floor, the Accounting and Finance teaching lab is a 30 station computer lab designed for computer supported instruction. The picture on the right is one of the large case teaching rooms located on the 6th floor

Case Teaching Rooms

Case Teaching Room

Case Teaching Room

Four large high-tech case teaching rooms on the 6th Floor. These rooms together with 10 break-out rooms allow for the instruction of “real-life” business case studies

6th Floor Foyer

Located on the 6th floor, this large foyer is positioned in the center the four large case teaching rooms and surrounded by ten case break-out rooms. The foyer area is also used for formal receptions and catered lunches

6th Floor Lounge Area

Located on the 6th floor, this area is an informal study and lunch area

Student Spaces

Case Break-out Room

Student Study Space

The left picture is one of 10 case break-out rooms.

The picture on the right is some of the open student study space

Student Study Space

Student study space located on the 5th floor. Equipped with wired and wireless internet connections

Graduate Student and Research Area

Graduate Student Lounge

Graduate student study area

Located on the 5th floor, this space provides graduate students, visiting research scholars and faculty research assistants meeting and study space

Business Student Society

Business Student Society

The Youth Business Institute (YBI) is co-sponsored by the Faculty of Administration at the University of Regina and the Saskatchewan Chamber of Commerce. YBI allows high school students the opportunity and challenge of running their own business.

A computer simulation is used to create a competitive economic environment, in which teams of students make financial management decisions about running a business.
